### LOCAL FIRM RISING FAST

A small London lift truck company has cracked the top 100 in Profit magazine's list of fastest growing companies.

Lift Depot Inc. made the 2008 list with five-year revenue growth of 838 per cent.

Lift Depot sells, leases and rents lift trucks, forklifts and industrial equipment to major companies including 3M Canada and Cami Automotive.

The company also offers 24-hour service, with 20 road service technicians and conducts safety certification programs for operators of its equipment.

The head office is on Sovereign Road with a branch operation in Stratford.

Company president Rob Daniel said the company has been able to take on much larger national competitors by focusing on good customer service.
